PROFILE

Business Information Systems graduate with logistics training and a valid forklift qualification. I have experience in hands-on work, maintenance, organizing storage areas and agricultural operations carried out in line with procedures and hygiene and safety standards. I am looking for a stable operational role and I am open to learning a new position through on-the-job training, an internship or an apprenticeship.

WORK EXPERIENCE

General Services Assistant

Camelia Rooms · Mestre (VE) · Apr 2026 - Jul 2026

- Wall repair, filling and painting; installation of suspended-ceiling panels.
- Support with courtyard cleaning and, when needed, breakfast preparation.
- Started reorganizing the storage area and carried out operational tasks according to the property's priorities.

Agricultural Worker

Azienda Agricola Rivolo · Zero Branco (TV) · Jun 2023 - Sep 2023

- Distributed feed and cleaned feeders, pens and common areas on a pig farm.
- Supported the team with selection, vaccination and feeding of pigs and piglets.
- Followed hygiene, sanitation and safety procedures during daily work.
